TIMARU

Dear Ping,

Thanks to your generous support and the support of many other businesses and individuals who donated goods or services our recent Charity Auction was a resounding success.

We anticipate that a net profit of just over \$24,000 will have been raised for the selected charities – South Canterbury Hospice, Rotary International Shelter Boxes and The Rotary Club of Timaru Charitable Trust.

If you donated an item that requires the buyer to contact you and you do not hear from him/her in reasonable time you may wish to contact our club member in charge of the auction lots, Tony Henderson, at phone 684 8912 (evenings) or email tonyhend@ihug.co.nz

Thank you once again for your support.

Yours sincerely,
