On behalf of South Canterbury Women's Refuge I would like to express to you and your staff the exceptional service, catering and professionalism shown to ourselves and our guests at our recent AGM

The venue and catering was of the highest standards which was expressed by all that attended

I would also like to thank you for your generous waiver of the hire charges for the room. Without the support of community leaders such as yourself South Canterbury Women's Refuge would find it very difficult to maintain the services we provide to abused women and children

Once again thank you very much and special thanks to Harold and the Chef
